The environment

Delivery	What will happen
We will manage children in small groups.	We work with government requirements and local councils to deliver max of 16 children in groups of 8 or less to minimise risk
Session changes	We will talk with families to discuss changes to session times where required
We will manage social distancing to the best of our ability under the circumstances and the nature of children's ages	Young children are used to moving freely, we will manage child and staff movement.
Play and learning environment	We will make sure each child has an enjoyable time at pre-school nursery. We will maintain an environment that enables children to continue to learn and have fun. We will plan activities for children
Toys equipment from home	We are asking that children do not bring toys in from home. In cases where a comforter is needed this will be allowed for wellbeing purposes.
Garden/outdoors- sunscreen	Please protect your child with sunscreen before they attend (all day sunscreens are available).

	Please apply sunscreen we aim to use the outdoors as much as possible.
Accidents	If your child has accident in our care, we will inform you with a phone call which will be followed up in an email or WhatsApp please confirm you have received this. In all cases were required we will seek medical advice or assistance until parents arrive. This may include taking children to hospital.
Lunches	Children need to manage their own pack lunch. Please send your child with lunches that are easy to self-manage. PLEASE LABEL LUNCHES/BOX/DRINKS BOTTLES
